**CANstruction Fundraiser**

CMA teamed with Johnson-Davis Construction to participate in a fundraiser event called CANSTRUCTION, with proceeds going to the Palm Beach County Food Bank. This year's event was held in Palm Beach Gardens, FL at The Gardens Mall from May 6-19. Our team built their sculpture at the mall on May 5 from 6pm-12am. At the end of the two-week exhibition, each one of the sculptures was "deconstructed" and the food was donated to the Palm Beach County Food Bank. In 2017, over 32,000 pounds of food was collected from these sculptures and distributed to hungry individuals and families in our community.

CMA would like to thank our sponsors and everyone who donated towards this great cause!
